

Overall Product Score: 9/10

Recommended

Looking for a safe mineral sunscreen with SPF that gives you the ultimate protection? Live Clean Sport Mineral Sunscreen Lotion with SPF 45 has very low hazard rating and we consider it a safe product to use. The product is widely available in many stores and may also be purchased online. For individuals who are concerned with animal testing, it is important to note that Live Clean DOES NOT test on animals and is a vegan company.
